Keynote Speaker: **Floyd Brobbel**
Chief Executive Officer - The Voice of the Martyrs

Floyd began full time ministry with the Voice of the Martyrs (VOMC) in June, 2003. As a young child, Floyd remembers listening to Pastor Richard Wurmbbrand and his wife Sabina, the founders of The Voice of the Martyrs, on several occasions. Being shaped early in life with the message of the persecuted Church, Floyd remains committed to informing Canadian Christians on how they can encourage, support and pray for those who are suffering for Christ.

Floyd leads the Voice of the Martyrs ministry in Canada. He develops international partnerships through which VOMC implements and carries out practical, yet strategic projects that assist persecuted Christians. Floyd frequently speaks at churches and other events on the subject of the persecution of Christians.

The Voice of the Martyrs Canada, a Canadian Registered Charitable Organization, was established in 1971. This ministry provides spiritual and practical relief to Christians throughout the world who are being persecuted for their choice and expression of religious faith.
