

Focus on Afghanistan

Can you imagine living in a country where you are forbidden to sing, read aloud, or be heard speaking to someone else in public? How would you feel having to completely cover your entire body with heavy garments – including the concealing of your face? According to Afghanistan's Taliban leaders, these laws are mandatory for females whose voices must also remain quiet in community settings. Yet, in the hearts of Christian women, there is a song that prevails...this 'song of joy' comes through the power of Jesus Christ.

WE BELIEVE

Worship Song

In this time of desperation
When all we know is doubt and fear
There is only one foundation
We believe, We believe

In this broken generation
When all is dark, You help us see
There is only one salvation
We believe, We believe

We believe in God the Father
We believe in Jesus Christ
We believe in the Holy Spirit
And He's given us new life
We believe in the crucifixion
We believe that He conquered death
We believe in the resurrection
And He's comin' back again
We believe

So, let our faith be more than anthems
Greater than the songs we sing
And in our weakness and temptations
We believe, We believe

We believe in God the Father
We believe in Jesus Christ
We believe in the Holy Spirit
And He's given us new life
We believe in the crucifixion
We believe that He conquered death
We believe in the resurrection
And He's comin' back again

Let the lost be found and the dead be raised
In the here and now, let love invade
Let the church live loud, our God, we'll say
"We believe, we believe"

And the gates of hell will not prevail
For the power of God has torn the veil
Now we know Your love will never fail
We believe, we believe

We believe in God the Father
We believe in Jesus Christ
We believe in the Holy Spirit
And He's given us new life

We believe in the crucifixion
We believe that He conquered death
We believe in the resurrection
And He's comin' back
He's comin' back again
He's comin' back again
We believe, We believe
