SPECIAL VIDEO EDITION 2024 IN REVIEW

Throughout the year of 2024, VOMC's *Persecution & Prayer Alert* reports continued to call attention to the current challenges being encountered by Christians in different countries of the world. Considering that these persecuted believers were experiencing serious forms of suffering for their faith – whether it be imprisonment, the threat of death, and/or other situations of concern – the prayers of God's people have been both timely and critical.

In this week's specially produced year-end video report, host Greg Musselman interviews Anita Hanna, who serves as the Manager of International Ministry for the Voice of the Martyrs Canada. We encourage you to listen to their discussion as they address four of the international nations that were featured most frequently throughout the year in the ministry's weekly *Persecution & Prayer Alert* reports.

During the interview, Greg and Anita also discuss the various ways in which VOMC is providing for the immediate needs of those experiencing persecution. To hear how our Christian brothers and sisters in Pakistan, India, Nigeria and Iran have received urgently needed assistance, go to [this page](#).

On behalf of VOMC's ministry team, we greatly appreciate your faithful prayers for these believers and so many others who have been encountering persecution in their respective countries. By engaging in prayer for them, you are aptly heeding the words of Hebrews 13:3.
